sora ni hashiru hayate ka inaduma
(hissatsu ! handou sandan keru)
kanawo azamuku kage kage kage
ore ha hariken hariken porima^

Submitter's comments:Â

I spelled out Polimar in English based off the Italian version as well as the English spelling
Capcom's using for Tatsunoko vs Capcom. However it's also known to be spelled "Polymar" and
even "Polymer" (referring to the material of the titular hero's suit).
