Thinking of an age old dream, places I have never
seen,
Fantasies lived times before.
I split my brain, melt through the floor.

Over clouds my mind will fly, forever now I can't think
why.
My body tries to leave my soul.
Or is it me, I just don't know.
Mem'ries rising from the past, the future's shaddow
overcast.
Something's clutching at my head, through the
darkness I'll be led.

Oh another time, another place.
Oh another smile on another face.
When you see me floating up beside you,
You get the feeling that all my love's inside of you.

Please take me away, take me away, so far away.
Please take me away, take me away, so far away.
Please take me away, take me away, so far away.
Thinking of an age old dream, places I have never
seen,
Fantasies lived times before.
I split my brain, melt through the floor.

Over clouds my mind will fly, forever now I can't think
why.
My body tries to leave my soul.
Or is it me, I just don't know.
Mem'ries rising from the past, the future's shaddow
overcast.
Something's clutching at my head, through the
darkness I'll be led.

Oh another time, another place.
Oh another smile on another face.
When you see me walking up beside you,
You get the feeling that all my love's inside of you.

Please take me away, take me away, so far away.

Please take me away, take me away, so far away.
Please take me away, take me away, so far away.
