I have a secret hidden behind the wall  
Like a junky with needle and spoon  
It lies in wait for me  
At the fire yesterday  
I glanced by mistake and real a line  
The line said "I am born"  
Dickens an author penned the line

#### Chorus

I have read  
Broken the law  
I have learned  
I have saw  
When the sleep was swept from my eyes I the fool was  
seen  
A wife devoid of thoughts and feelings an empty  
waking dream  
A life spent destroying thoughts preserved in revered  
tomes  
Hopes and dreams, poetry, feelings that make life real
