"When Six Was Nine"

As I fall in this floating box
My mind is back to that day
I had forgotten along the way
Now the time has come, I see it's time to pay

Chorus

My will is prophecy, my own mythology, an oracle to be
The blood shed by my soul, the deal time controls,
tears for
Gifts you gave-IF SIX WAS NINE
The days I woke with resolve
To do an act with meaning
Seems I've lost power
To change things for the better

Solo - SK

When I was drawn toward you
I needed all you had
My instincts had been twisted
I learned it all too late
