I think I'll be brave  
Starting with you  
But I'll fall away if you tell me to  
I'd rather be wrong  
Then hope that I'm right  
'Cause I can't go on with this all inside

I think I'll be brave  
And say how I've wanted you  
Going around inside my head  
Trying to talk me out of it  
So lonley...Too lonley  
If there's a possibility  
You turn and run away with me  
I need to...To show you before it fades

I think I'll be brave  
Starting with you  
But I'll fall away if you tell me to  
I'd rather be wrong  
Than hope that I'm right  
'Cause I can't go on with this all inside

I think I'll be brave  
And say how I've wanted you  
Over the bridge and down a ways  
Far off ahead I see a face  
I follow, it's swallows me  
Where do i begin  
Whenever you say you let me in  
I need to...To show you before it fades

I think I'll be brave  
Starting with you

But I'll fall away if you tell me to  
I'd rather be wrong  
Than hope that I'm right  
'Cause I can't go on with this all inside

I think I'll be brave  
And say how I've wanted you

Say how I've wanted you  
Say how I've wanted you  
And say how I've wanted you

I think I'll be brave

Going around inside my head  
Trying to talk me out of it  
So lonely...
