David Hinds, feel alright  
Tribute to my nation

Say it loud I'm Black and I'm proud  
Say it loud and I'm Black and I'm proud, yeah  
I'm saying it loud  
I'm black and I'm proud

It's no more to me a hidden mystery  
Of stolen legacy of my history  
'Cause I know my culture of my ancestors  
So brothers and sisters, no time fe jester

Yes, I've found my true identity  
The teachings of Imperial Majesty  
Up ye mighty race philosophy  
No more complex inferiority

Say it loud I'm Black and I'm proud  
Say it loud and I'm Black and I'm proud, yeah  
I'm saying it loud  
I'm black and I'm proud

Oh, in the days of old  
When things were in control  
The greatest empire  
That was made of gold

Inventors of science  
Hearts of lion  
Fighting the dragon  
Forward mount zion

I and I a true born African  
Leaders of our civilization  
This ya spiritual manifestations  
Guided by the mighty Fathers hand

Say it loud I'm Black and I'm proud  
Say it loud and I'm Black and I'm proud, yeah  
I'm saying it loud  
I'm black and I'm proud

DJ President Brown  
Me say big up de Black man  
Big up Big up, big up de champion  
Four hundred million

You could a Rambo  
You could a Tarzan  
Just pick up your tail and run ga long  
All this talk of how the West was won

And rob up America from the Indian  
And tek weh Australia from original man

So back weh wid you witchcraft Merlin Wizard

We know your film flam we know your scam  
Deh pon de beach seh you want suntan  
When we tek stock unu turn black man

Then divide and rule  
The African land  
Which was made wid love  
By the Fathers hand, Jah Jah plan

Say it loud and I'm Black and I'm proud, yeah

I'm bragging and a boasting  
My ego's flying
