Muzik a bubble not looking for trouble  
Some shekels fe I shenks  
Just a burn up de lambs bread  
Session rocking ysh!

So dem come so dem drop  
From time to time dem been watching  
Dem a spy with dem bad eye  
(Come a raid I blues dance)  
Tipped off by informers  
Dem a watch who come out and come in yeh  
(Come a raid I blues dance)  
Yes they knew when the time would be right  
Run come gate crash I party  
(Come a raid I blues dance)  
Raid blues dance raid I blues  
(Come a raid I blues dance)  
Kick off door woe I name dem call  
I back against de wall a rub a daughter  
(Come a raid I blues dance)  
Dem a run come kill I vibe interfere with I  
The pigs come to destroy Rasta cry blood  
Dreadlocks cry blood

Raid blues dance  
Out of darkness out of night  
People screaming batons wheeling  
A lot of bleeding bruised feelings

Search warrant for their outvitation  
Walkie talkies reinforcements  
From dem pocket dem draw handcuff  
Dis yah session it rough  
Every step of the way got to retaliate yeh  
Fight dem back mash dem down  
Vex to death dem a threat  
Mek arrest kiss me neck  
Raid blues dance raid I blues  
A run come a run come who  
Run come kill I vibe interfere with I  
Pigs come to destroy Rasta cry blood

Dreadlocks cry blood

Come a come a come a come a raid

Come a kick I speaker

Come a mash up I tweeter

Come a grab up I shenks

Come a lick out I window

Come a move out I soft drink
