Every time you meet the public  
You get scared and you start to panic  
Who got a gun  
A who got a bomb  
Who got a knife  
Who's gonna lose their life  
So-called leaders aide with deceitful faces  
Corruption in a high place  
You hands full with bribes  
Mouth pours out lies yea  
Cause of all oppression now  
Running for protection

### CHORUS

Bodyguard I wouldn't like your job  
Snakes in the grass say they know not God  
Polytricksters drinking human blood  
Concrete heart can hold no love  
I just can't sorry for the bodyguard  
Bullet-proof vest strap to your chest  
Under your collar is getting hot whoa  
Who got a gun  
Who got a bomb  
Who got a knife  
Who's gonna lose their life

### CHORUS

Bodyguard I wouldn't like your job  
Snakes in the grass they know not God  
Polytricksters drinking human blood  
Concrete heart can hold no love  
Bodyguard I wouldn't like your job  
Snakes in the grass says they know not God  
Polytricksters drinking human blood  
Concrete heart can hold no love  
Hey hey don't feel no way  
I just can't sorry for the bodyguard  
Who got a gun  
Who got a bomb  
Who got a knife  
Who's gonna lose their life

CHORUS

Bodyguard I wouldn't like your job  
Snakes in the grass they know not God  
Polytricksters drinking human blood  
Concrete heart can hold no love  
Bodyguard I wouldn't like your job  
Snakes in the grass says they know not God  
Polytricksters drinking human blood  
Concrete heart I say cant hold no love  
Watch it all you presidents Who whoee  
Heads of government Who whoee  
Mash down parliaments Who Who

I just can't sorry for the bodyguard Who < 's gonna  
lose their lives>  
I just can't sorry for the bodyguard  
All that fretting  
All that checking  
All that searching for assassin > hey!  
Just can't sorry for the bodyguard
