The Earth is the Lord's
And the fullness thereof now
Gave man his love and they
Reward him with violence
And in these last days
Lend ears to what I say
Man in his ignorant state
Has signed and sealed his own fate
Doctrines of the fallen angels
To quench eternal flames of hell
Doctrines of the fallen angels
To quench eternal flames of hell

CHORUS

Earth crisis Earth crisis
All this suffering
Earth crisis Earth crisis

Misguided people
They don't seem to care
They carry the symbol
Of the eagle and the bear
Across the globe
Far east to far west
High tax and cutbacks for military defence
Doctrines of the fallen angels
To quench eternal flames of hell
Doctrines of the fallen angels
To quench eternal flames of hell

CHORUS

Earth crisis Earth crisis
All this suffering
Earth crisis Earth crisis
Super powers have a plan
Undermining Third World man
Suck their lands of minerals
Creating famine and pestilence
You hear what I say hear what I say

The Earth is the Lord's
And the fullness thereof now

Gave man his love and they
Reward him with violence
And in these last days
Lend ears to what I say
Man in his ignorant state
Has signed and sealed his own fate in this

CHORUS

Earth crisis
In a Earth, in a Earth, in a dis ya time yah
Earth crisis, Earth crisis
You life in there hands just waiting to explode
Earth crisis
A touch of a button fingertip control
Earth crisis
It hardly surprising
Earth crisis
JAH kingdom rising
Earth crisis
All this suffering
