Hijacking no skylarking  
Hijacking no skylarking

A journey cross the ocean far and wide  
All jet setters want to see the other side  
Only Jah know there's a hijacker on board  
Or any dynamite in the cargo down below  
To be a hostage  
I say's sure can't be much fun  
And the next you're held for ransom

CHORUS

Hijacking a we don't want no  
No skylarking no no no no no no  
Hijacking a we don't want no  
No skylarking you've just got to beware

RAP

Freeze, stick 'em up, put your hands in the air  
These are the words that I dread to hear  
Hijack almost everywhere  
Hostage here hostage there  
Held up for ransom running scared  
How much can the people bear  
Those who travel by sea or air  
Life's a booby trap so you better beware  
You better beware  
It's a booby trap so you better beware  
Hijack, Skyjack  
Sit down Mac,  
Stick up Jack

A flight of terror  
Can't be no fun no  
A flight of terror  
Can't be no no

CHORUS

Hijacking a we don't want no  
No skylarking no no no no no no  
Hijacking a we don't want no  
No skylarking you've just got to beware

Hijacking I need some fun  
You got me on the run  
No skylarking no  
Give me no more hijack  
Hijacking I need some fun  
You got me on the run  
No skylarking Aoc! Och!

A flight of terror  
Can't be no fun no  
A flight of terror  
Can't be no no

Hijacking we don't want no  
No skylarking we don't no  
Hijacking no no no no no  
No skylarking want no more  
Hijacking (We don't want no)  
(We don't want no)
