Ooh! Man no sober  
The drunkard he staggers around  
The alleys in cities and towns

His sorrows he tries to drown  
Solution, solution, solution, solution  
Solution to his problems  
Solution to his problems  
Can never be found

Booze is what he choose  
Like a gypsy, he's tipsy  
He drinks too much whiskey  
Gypsy, he's tipsy, he drinks too much

A Mr. Winehead stagger deh  
Booze is what he chooses, oh, yeah  
Oh, yeah, booze is what he choose  
Watch him how he topples over

Man no sober

In and out of discotheques  
In and out of wine bars  
Burnt out shell looks a wreck, yeah  
We got to help him somehow

Greets bartenders, drinks firewater  
Dances bossa nova  
Greets bartenders, drink firewater  
Dance bossa nova, he topples over

Man no sober, no, man no sober, no  
Man no sober, man no sober, man no sober  
Gypsy, he's tipsy, he drinks too much  
Man no sober

Booze is what he chooses, yeah  
Say, booze is what he choose  
Watch him how he topples over  
With a, with a, with a bottle in his hand, hangover

In and out of discotheques  
In and out of wine bars, oh  
Burnt out shell looks a wreck, yeah  
We got to help him somehow

Greets bartenders, drink firewater  
Dance bossa nova, he topples over  
Greets bartenders, drink firewater  
Dance

Man no so  
Watch him how he topples over  
Man no sober

He man drunkard, he no sober  
Man no sober  
He man drunkard, ain't no, ain't no  
Watch him how he topples over  
No sober

The whiskey's strong  
Been drinking all day long  
No sober

From dust till dawn  
He staggers around  
All day long, all day long, yow yow  
No sober, no sober, no sober
