Peace Party  
David Hinds  
JAH say now  
Unite now  
JAH say Yeah

Let's take a look at situation out there  
Nation rise against nation  
It was never ever part of JAH plan  
We are all one creation  
Why there is always so much hate  
I wanna know  
Let's change before it's all too late

CHORUS

So come along and party  
Togetherness for everybody  
Come along and party  
It's unity for everybody oh

Let segregation be a thing of the past  
And put the future before us  
Where there's a will there is always a way  
Together and we'll be victorious woe!  
It's time to sip from the cup of peace oh yeah now  
Let's strive for racial equality

CHORUS

Please accept my invitation  
Leave all weapons at the door  
What the hell are we fighting for

CHORUS

let us join forces and live as one  
Live as one live as one  
Peace to mankind under JAH JAH son  
JAH JAH son JAH JAH son  
let us join forces and live as one  
Live as one live as one

Peace to mankind under JAH JAH son  
ooh -ay  
We're having a party  
Reunion Party  
Come everybody  
Togetherness for everybody  
Come-a-come-a-come-a-come-a  
An invitaiton to you yes sir

Where there's lot's of fun  
So plot the course for
