In the belly of the beast in dis ya struggle
Dem chopping down our role models
In the belly of the beast in dis ya struggle
Dem a cutting down our role models

'Cause every single time we make a stance now, yeah
They always try their very best to catch us with our
pants down, woe
Want to smear our name and denounce our fame
It's a crying shame, hatred still remains
I'm charging dem rascals for libel and slander, oh

In the belly of the beast in dis ya struggle
Dem chopping down our role models
In the belly of the beast in dis ya struggle
Dem a cutting down our role models

Check your plots and schemes in your game shows
To turn our heroes into zeroes, know your tricks and
deeds
Want to kill the seeds that we plant and grow
Why you stoop so low?
I'm charging them rascals for libel and slander, oh

In the belly of the beast in dis ya struggle
Dem chopping down our role models
In the belly of the beast in dis ya struggle
Dem a cutting down our role models

Listen to the thing that I'm about to confess
I hate and I despise and I deplore and detest
The tabloids and newspapers better known as the
press
And so much propaganda that it leads to distress

Magic Johnson, Micheal Jordan, boom you're the best
Advice to Micheal Jackson, keep your cards to your
chest
Mr. Iron Mike Tyson always under arrest
And vote fi Jesse Jackson, him a next president

The plight of OJ Simpson caused a civil unrest

Police beat up Rodney King until his face was a mess
Defend yourself by any means and Malcolm say yes
I dare a man to ever curse a who Jah Jah bless

The mind is a terrible thing to waste
Dem just a mud up, mud up
Blood up, blood up [unverified]

Up ye mighty race
And wipe the dirt from your face
Never ever fall from grace
The mind is a terrible thing to waste
The mind is a terrible thing to waste

In dis ya struggle
Our role models
