Peace Party
David Hinds
JAH say now
Unite now
JAH say Yeah

Let's take a look at situation out there
Nation rise against nation
It was never ever part of JAH plan
We are all one creation
Why there is always so much hate
I wanna know
Let's change before it's all too late

CHORUS

So come along and party
Togetherness for everybody
Come along and party
It's unity for everybody oh

Let segregation be a thing of the past
And put the future before us
Where there's a will there is always a way
Together and we'll be victorious woe!
It's time to sip from the cup of peace oh yeah now
Let's strive for racial equality

CHORUS

Please accept my invitation
Leave all weapons at the door
What the hell are we fighting for

CHORUS

let us join forces and live as one
Live as one live as one
Peace to mankind under JAH JAH son
JAH JAH son JAH JAH son
let us join forces and live as one
Live as one live as one

Peace to mankind under JAH JAH son
ooh -ay
We're having a party
Reunion Party
Come everybody
Togetherness for everybody
Come-a-come-a-come-a-come-a
An invitaiton to you yes sir
each and everyone
were organizing a big party
Where there's lot's of fun
So plot the course for
I and I together live as one
Come-a-come-a-come-a-come-a
