## CHORUS

Steppin' out, steppin' out  
Steppin' out, steppin' out  
Open says a me, here comes Rasta man  
Abracadabra me seh, catch me if you can

I know  
You'll find it hard to believe that  
I am  
The genie of your lamp and  
I can o anything you wish but  
Right now I am commanding you to dance

## CHORUS

Steppin' out, steppin' out  
Invisible music  
Beam me up to the cradle of sound  
(riddle me this)  
You cannot see it  
Nowhere on Earth  
Can this reggae be found

I know  
You'll find it hard to believe that  
I am  
The genie of your lamp and  
I can  
Do anything you wish but  
Right now  
I am commanding you to dance  
BRIMSTONE HURRICANE CYCLONE  
Ask me this I tell you why  
I know  
You'll find it hard to believe that  
I am  
The genie of your lamp and  
I can  
Do anything you wish but  
Right now  
I am commanding you to dance  
CHORUS  
Steppin' out, steppin' out

Journey through the tunnel of love  
Wisdom is respected hatred is rejected  
On the planet dread it rains dub  
Climb Alladin's ladder hotter reggae hot  
Open says a me  
Here comes Rasta man  
Abracadabra me seh  
Open says a me  
Here comes Rasta man  
Abracadabra  
Catch me if you can hey  
Steppin' out, says I'm steppin' out  
I know I am I can right now I'm steppin  
highest heights and hottest hot  
Rasta this and Dreadlocks that  
On the move I just can't stop  
I'm in the groove and I just can't stop  
Cause I'm  
In love with JAH music  
Invisible music.
