David Hinds

So you like to tease the fellas  
And getting someone jealous  
But I know  
All those games and tricks  
Your kind of girl is vicious  
Whose heart you crush  
You don't seem to care

One ambition  
To marry a millionaire

Someone...there to wine and dine you  
And give...rings all decked with diamonds  
Kind of...money talking romance  
Jet set...vacation to the islands

Best things in life  
I say they don't come free

CHORUS  
You're looking for a sugar daddy  
You don't mind if he's ugly  
He's got lots of money  
He will be your dandy candy

Don't take long  
For you to get your way  
Where's there's cash  
You're like a bird of prey  
'Cause you demand  
An expensive taste  
Don't get what you want  
So you act outrageous  
Whose heart you crush  
You don't seem to care

One ambition  
To marry a millionaire  
Someone...there to wine and dine you  
And give...rings all decked with diamonds, yeh

That kind of...money talkin romance  
Jet set...vacation to the islands

Best things in life  
I say they don't come free

#### CHORUS

You're looking for a sugar daddy  
You don't mind if he's ugly  
He's got lots of money  
He will be your dandy candy

#### RAPPERS DELIGHT

Watch her now  
She loves to pose in fancy clothes  
And make the guys all stare  
Who's got no cash, ain't got no chance  
She want's a millionaire

A candy-coated rich man  
She don't give a damn if it's Frankenstein  
Or the thing from outer space  
A chauffeur-driven limousine  
Seems more to be her style  
If you can't provide that kind of life  
You just ain't worth her while

Cos she's hooked on money love  
Suga, suga., suga (Repeat - fade out)
