CHORUS

-----

Rally round the flag  
Rally round the red  
Gold black and green

Marcus say sir Marcus say  
Red for the blood  
That flowed like the river  
Marcus say sir Marcus say  
Green for the land Africa  
Marcus say  
Yellow for the gold  
That they stole  
Marcus say  
Black for the people  
It was looted from

They took us away captivity captivity  
Required from us a song  
Right now man say repatriate repatriate  
I and I patience have now long time gone  
Father's mothers sons daughters every one  
Four hundred million strong  
Ethiopia stretch forth her hand  
Closer to God we Africans  
Closer to God we can  
In our hearts is Mount Zion  
Now you know seek the Lion  
How can we sing in a strange land  
Don't want to sing in a strange land no  
Liberation true democracy  
One God one aim one destiny  
CHORUS

-----

Rally round the flag  
Remember when we used to dress like kings  
Conqueror of land conqueror of seas  
Civilization far moved from caves  
Oppressor man live deh

I curse that day  
The day they made us slaves I say

How can we sing in a strange land  
Don't want to sing in a strange land  
Liberation true democracy  
One God one aim one destiny

CHORUS

-----

Rally round the flag  
Red gold black and green  
A bright shining star--Africa  
Catch star liner right now--Africa  
A history no more a mystery--Africa  
Respect and authority--Africa  
Climb ye the heights of humanity  
Rally come rally rally come rally
