It must be hard to be you, it's hard to be me too  
But I try to see the flowers in her eyes before she  
blooms  
It's what I fear, I fear that we're insincere  
And I'm scared of growing cold

It doesn't mean a thing  
That you can't sing on key  
You see that I have got a song to hum  
That will make us feel alive

And we will be fine and have a drink  
If I've gone inside?  
You see I'll be here away from fear  
In the park they built for us

Two O'clock, to the park  
To my world into the dark

Josie smiles and laughs  
Me and Scarlett will smoke our hash  
A.D. and Amelia sang a song  
When love was on the wrong, she lit her cigarette

And Julia's love was clear  
As she is drawing all your fears  
Beautiful and clear  
Scott sing another song

It doesn't mean a thing  
That you can't sing on key  
You see that I have got a song to hum  
That will make us feel alive

We will be fine and do you want a drink  
If I've gone inside?  
You see now I'll be here away from fear  
In the park they built for us

Two O'clock, to the park  
To my world into the dark

Josie smiles and laughs  
Me and Scarlett will smoke our hash  
A.D. and Amelia sang a song  
When love was on the wrong, she lit her cigarette

And Julia's love was clear  
As she is drawing all your fears  
Beautiful and clear  
He's singing another song
