And I'd rather watch a sunset  
Through cellophane and glass  
Then ask just why we fly

So why you gotta rock the boat?  
Ain't it time for you to choke my love  
[Incomprehensible]

So keep one eye open  
What you see ain't what you got  
Ain't what you got, no

I sold my hay  
To a man with a master plan  
To run the world that I ran from

Last time I had left you  
This time I'm leaving true  
In a quest to lose it all  
[Incomprehensible]

Even these empty hands  
Can hold the way to your promise land  
And my soul, mind  
And body will render the crime

So why you gotta be so cruel?  
You used me like a tool  
It will never fix our love, no, no

[Incomprehensible]

I know that it's time to give it all up  
When it all so corrupt  
And I'm torn from child and lust

Time sublime when pain's a rhyme  
I know you thought  
Them stars would align for you  
Oh, but beauty is my love

So keep one eye open

Keep that eye open  
And keep them eyes open  
'Cause what you see ain't what you  
It ain't what you got

[Incomprehensible]
