Well, it ain't no use to sit and wonder why, babe  
If you don't know by now  
No, no, no, it ain't no use to sit and wonder why, babe  
It'll never do somehow

When your rooster crows at the break of dawn  
Look out your window and I'll be gone  
You see you're the reason I'm travelin' on  
But don't think twice, it's alright

No, there ain't no use in turnin' on your light, babe  
It's a light I've never known  
No, there ain't no use in turnin' on your light, baby  
I'm on the dark side of the road

Still I wish there was somethin' you would do or say  
To try to make me change my mind and stay  
We never did too much talkin' anyway  
So don't think twice, it's alright

So it ain't no use in callin' out my name, gal  
Like you've never done before  
And it ain't no use in callin' out my name, gal  
Ooh, I can't hear you anymore

I'm thinkin' and I'm wonderin' walkin' down the road  
I once loved a woman, a child, I'm told  
I gave her my heart but she wanted my soul  
Don't think twice, it's alright

So long pretty baby  
Where I'm bound, I can't tell  
But goodbye's just too good a word, babe  
So I'll just say fare thee well

Well, I ain't sayin' you treated me unkind  
You could've done better but, babe, I don't mind  
You just wasted all my precious time  
Don't think twice, it's alright

Oh, and don't think twice, it's alright  
Don't think twice, it's alright
