*[Originally by Bob Marley]*

There's a natural mystic flowing through the air  
And if you listen carefully, you will hear.  
This could be the first trumpet, might as well be the  
last.  
Many more will have to suffer,  
Many more will die.  
Don't ask me why.

Things are not the way they used to be.  
I won't tell no lie.  
One and all must come first reality now.  
Though I've tried to find the answer  
To all the questions they ask.  
Though I know it's impossible  
To go livin' through the past.  
Don't tell no lie.

There's a natural mystic flowing through the air.  
You cant keep him down  
And if you listen carefully now you will hear.  
Such a natural mystic,  
Flowing through the air.

This could be the first trumpet,  
Might as well be the last.  
Many more will have to suffer,  
Many more will have to die.  
Don't ask me why.

There's a natural mystic blowing through the air.  
I don't tell no lies  
And if you listen carefully now you will hear.  
There's a natural mystic blowing through the air.  
There's a natural mystic blowing through the air;  
Such a natural mystic, blowing through the air;  
Such a natural mystic, blowing through the air;  
Such a natural mystic, blowing through the air.
