Watching from the cement grass, just get to walk
straight.
She evades you straight through town and she beats
upon
your paper face. This must be some kind of Mexican
love.
And I'm glued to you, just like a Mexican love.
I can't compete with you. I can't compete, no matter
what I do.

All out on the street with it all exposed. Soft underbelly
is all
exposed. I don't care 'cause everything is all stripped
and bare.

SO, SAY SAY SAY, SO, SAY SAY SAY, SO, SAY SAY SAY,
YEAH YEAH.

YEAH, AND IT ALL ROLLS OUT, LIKE 1-2-3. YES, AND IT
ALL ROLLS OUT,
JUST LIKE YOU AND ME.

Yea yea yea uu uu yea yea yea uu uu.

Look over there, can you see the birds?
They blacken blacken up the sky. Black is the color that
we've chose.
Nobody here really have to die. We're lost on a not so
blue.
It slips in and out, we never really know just what it's all
about.

But I'm out on the street with it all exposed. Soft
underbelly's, yes,
all exposed. I don't care 'cause everything is all
stripped and bare.

SO, SAY SAY SAY, SO, SAY SAY SAY, SO, SAY SAY SAY,
YEAH.

And it all rolls out, like 1-2-3, yeah. Yeah, and it all rolls

out,
like 1-2-3, yeah.

Huh! HOOO-OOOO HOOO-OOOO HOOO-OOOO HOOO-
OOOO.

Don't you see the birds blacken up the sky?
This is the color we've chose. This is the color we've
chose.
I can't compete with you, no matter what I do.
Just like a Mexican love, yeah. Just like a Mexican love.
