In the corner  
Of my eye  
I saw you in Rudy's  
You were very high

You were high  
It was a cryin' disgrace  
They saw your face

On the counter  
By your keys  
Was a book of numbers  
And your remedies

One of these  
Surely will screen out of sorrow  
But where are you tomorrow

I can't cry anymore  
While you run around  
Break away  
Just when it seems so clear  
That it's over now  
Drink your big black cow  
And get out of here

Down to green street  
There you go  
Lookin' so outrageous  
And they tell you so

You should know  
How all the pros play the game?  
Then you change your name

Like a gangster  
On the run  
You will stagger homeward  
To your precious one

I'm the one  
Who must make everything right

Talk it out till daylight

I don't care anymore  
Why you run around  
Break away  
Just when it seems so clear  
That it's over now  
Drink your big black cow  
And get out of here

I can't cry anymore  
While you run around  
Break away  
Just when it seems so clear  
That it's over now  
Drink your big black cow  
And get out of here

Saw pages turn around  
Saw pages turn around  
Saw pages turn around
