Stranded in Red Hook  
I check in the black book  
For anybody's cave  
I run into guess who  
A boozier to rescue  
But there's nothin' left to save

The Indian hat clerk  
Is doing his homework  
Eating soda cracker dog style  
They check it once over  
And drag it to Dover  
Where they dump it on the rock pile

Cause it's dog eat dog eat dog  
Ain't no use to fight it  
It's dog eat dog eat dog  
Grab it fast and bite it  
Dog eat dog eat dog eat dog eat dog eat dog

Now I've got the power  
The man in the hour  
Is leaving room for no doubt  
The picadors catch you  
And what does it get you  
But an incandescent blowout

And if he sees you  
The judge he don't please you  
He'll catch you on the rebound  
So rip off your mask or  
The best you can ask for  
Is a mattress in the city pound

[Chorus]

[Solo]
