A world become one of salads and sun only a fool  
would say that  
A boy with a plan, a natural man wearing a white  
Stetson hat  
Unhand that gun begone there's no one to fire upon  
If he's holding it high, he's telling a lie

I heard it was you talkin' about a world  
Where all is free, it just couldn't be  
And only a fool would say that

The man in the street draggin' his feet, don't wanna  
hear the bad news  
Imagine your face there is his place, standing inside  
his brown shoes  
You do his nine to five drag yourself home half alive  
There on the screen a man with a dream

I heard it was you talkin' about a world  
Where all is free, it just couldn't be  
And only a fool would say that

Anybody on the street has murder in his eyes  
You feel no pain and you're younger then you realize  
Only a fool would say that, only a fool

I heard it was you talkin' about a world  
Where all is free, it just couldn't be  
And only a fool would say that, only a fool would say  
that  
Only a fool would say that
