We hear you're leavin'
That's okay
I thought our little wild time
Had just begun

I guessed you kind of Scared yourself You turn and run But if you have a change of heart

Rikki don't lose that number You don't wanna call nobody else Send it off in a letter To yourself

Rikki don't lose that number It's the only one you own You might use it if you feel better When you get home

I have a friend in town He's heard your name We can go out driving on Slow hand row

We could stay inside And play games I don't know And you could have a change of heart

Rikki don't lose that number You don't wanna call nobody else Send it off in a letter To yourself

Rikki don't lose that number It's the only one you own You might use it if you feel better When you get home

You tell yourself you're not my kind But you don't even know your mind And you could have a change of heart

Rikki don't lose that number You don't wanna call nobody else Send it off in a letter To yourself

Rikki don't lose that number It's the only one you own You might use it if you feel better When you get home

Rikki don't lose that number (Rikki don't lose that number) Rikki don't lose that number
