Son you better be ready for love
On this glory day
This is your chance to believe
What I've got to say

Keep your eyes on the sky
Put a dollar in the kitty
Don't the moon look pretty

Tonight when I chase the dragon,
The water will change to cherry wine
And the silver will turn to gold
Time out of mind

Im holding the mystical stone
It's direct from Lasa
Where people are rolling in the snow
Far from the world we know

Children we have it right here
Its the light in my eyes
Its perfection and grace
Its the smile on my face

Tonight when I chase the dragon,
The water will change to cherry wine
And the silver will turn to gold
Time out of mind

[solo]

Children we have it right here
Its the light in my eyes
Its perfection and grace
Its the smile on my face

Tonight when I chase the dragon,
The water will change to cherry wine
And the silver will turn to gold
Time out of mind
