Our town is just like any other
Good citizens at work and play
Normal folks doin' buisness in the normal way
This morning was like any other day
Mommies kissing daddies goodbye
Then the milkman screamed
And pointed up at the sky

Chorus:
From Sheilus to the reefs of Kizmar
From Stargate and the Outer Worlds
They're speeding towards our sun
They're on a party run
Here come Tomorrow's Girls

Tomorrow's Girls
You see them on the grass at lunch hour
Soaking up the vertical rays

In their summer dresses
A little smile can really make your day
Their kisses feel like real kisses
And when they cry they cry real tears
But what's left in your arms
When the static clears

Chorus:
They're landing on the Jersey beaches
Their engines make the white sand swirl
The heat is so intense
Earthmen have no defence
Against Tomorrow's Girls
In the cool of the evening
In the last light of the triple sun
I wait by the go-tree
When the day's busy work is done
Soon the warm night breezes
Start rolling in off the sea

Yes
at lantern time
That's when you come to me

Come to me

Our home is just like any other
We're grillin' burgers on the back lawn
Some times goes by
We fall asleep with the tv on
I dream about a laughing angel
Then the laugh becomes a furious whine
Look out fellas
It's shredding time

Chorus:

They're mixing with the population
A virus wearing pumps and pearls
Lord help the lonely guys
Hooked by those hungry eyes
Here come Tomorrow's Girls
Tommorrow's Girls
