u get sweet and lovely .. u start to melt from shy
ur visit stops the heart ..and am scared from it

am scared ..u must have something with me..this way is not avoid
my life my love my eyes ..u said them after another

X 2

u get sweet and lovely .. u start to melt from shy
ur visit stops the heart ..and am scared from it

i cant believe u remind me and came
setting & talking to me now
am don't feel comfort for this visit
i am scared from it

glory to god! how u get changed u were in a state then get to another
this is what wasn't on mind ..and am scared from it .

am afraid i could not remind a happy blessed day with u
when i content u stay confused u must made me sad

X2
