you can't handle me cuz you are weak and i am strong
and i don't even know why-why-why it's something
wrong
cause everytime you needed someone to help you i
was there
to make you feel like you're someone else
hope the guys you meet in clubs-clubs-clubs will play
you off
you have to know how does it feel-feel-feel to pay the
cost
i'm sick of your behavior
everything you do piss me off
(are you redy)

IMMA BAD BOY

EVERYTHING BUT NOT YOUR FUCK
EVERYTHING BUT NOT YOUR BOY

your life is full of shitty friends-friends-friends and full
of tears
i don't care at night i dream-dream-dream of Britney

you need a brain my love,go to sears
and as long as you hate me-me-me i'll do the same
you can get laid every night-night-night i'll do the same
then you won't be the only one who will screaming my
name(screaming my name)(bye-bye-bye)
