You call me up in the middle of the night  
You drank again and you want to start a fight  
Last time we talked  
you said it was over  
you took a match to everything we were  
and all you did is sit and watch it burn

Tell me what ur looking 4  
Tell me what ur looking 4  
Don't act like you never closed that door (2X)  
wooo wooo

You tell your friends that you gonna get me back  
tell em stuff but you don't stick to the facts  
Last time we talked  
you said it was over  
you took a match to everything we were  
and all you did is sit and watch it burn  
you wa-wa-watch  
you watch it burn

Tell me what ur looking 4  
Tell me what ur looking 4  
Don't act like you never closed that door (2X)  
wooo wooo

It's a little late you were never that great  
this is fate i think what we had was real lame  
all you do is wait all you do is wait  
Baby this is fate baby this is fate

Tell me what ur looking 4  
Tell me what ur looking 4  
Don't act like you never closed that door (2X)  
wooo wooo

Don't act like you never closed that door  
wooo wooo
