Oh oh oh to give you my love
Oh oh oh

I've got to tell you what I'm feeling inside baby
Without you, you my love
You was my way but now I'm loosing my mind
And my soul

There is no reason to keep on crying
For your loving
By now you're leaving me
I've got to hang on and be strong
But i'm feeling alone

I got to give you love
I got to give you love
Give you love give you love
You're the one who could have it
I got to give you love
I got to
To give you my love

I've got to tell you how I'm feeling inside baby
Without you, you by my side
You want your freedom
But you're killing my heart and my soul

How many times I've got to live
Without you baby
Without you, you my love
There is no future for my dreams
If you leave me alone

I got to give you love
I got to give you love
