There was a time that I knew you were mine
But the dreams of today fly away.
I'm alone again.
Where can I go?
I don't know what to do without you.
I'm alone...

When I need love I need you by my side.
You know who treats me right coming home.
I'm alone again.
When can I say that the time slips away
For the rest of my life...

And it seems like yesterday
We were together every day.
Now that time has passed away
And I'm alone.

And it seems like yesterday
We were in love every day
But now that time has passed away.
I'm so alone...

Tears in my eyes.
I can't sleep 'cause you cry
And I see you and me in my dreams.
I'm alone again.
When can I say that the time slips away
For the rest of my life...
