It doesn't matter
How many breaths it will take
Just how many moments took your breath away
And it doesn't matter
How many times you cried
Just how many reasons you find to smile
It's ok
It's alright

And it doesn't matter
How many times you fall
Just as long as you get up standing tall
And it doesn't matter
If the world don't care what you do
Just as long as it's the world to you
Just hold on
Mhm, yeah
Keep on, and on and on

Refrain:
Diggin' in the dirt
Looking for gold
Getting through the hurt for something to hold
In every single word let the story be told

Diggin' in the dirt
Diggin' in the dirt

To find some soul - u-ohhh
To find some soul - u-ohhh
To find some soul - u-ohhh
To find some soul

It doesn't matter
If you're stuck deep in the mud
Just as long as you will keep your head up

And it is getting better
As time goes by you will see
There is a new turn at the end of the street

Just walk on
Mhm, yeah
Keep on, and on and on

Refrain:
Diggin' in the dirt
Looking for gold
Getting through the hurt for something to hold
In every single word let the story be told

Diggin' in the dirt
Diggin' in the dirt

To find some soul - uh-ohhh
To find some soul - uh-ohhh
To find some soul
To find some soul

Keep on, and on
Keep on, and on
Keep on, and on
Keep on, and on
Keep onnnnnn

Diggin' in the dirt
Looking for gold
Getting through the hurt for something to hold
In every single word let the story be told

Diggin' in the dirt
Diggin' in the dirt

To find some soul - uh-ohhh
To find some soul - uh-ohhh
To find some soul
