Love's right,  
no bullets fly  
Nobody gets hurt  
It's all sparks and butterflies  
When it's true the sun shines  
Unlocks every curse  
Cause the past gets nullified

Chorus:

Well, I'm up on the edge,  
but I won't fall  
I'm learning to run  
before I can crawl  
I'm burning up  
like a fireball  
I got it bad  
but I don't feel bad at all!  
No at all!

Hmmm, yeah

What if  
well so what  
Cause even if I'm wrong  
For once I gave it all

I see you look at me  
like you never gonna leave  
And I know I made the right call

Chorus:

Well, I'm up on the edge  
but I won't fall  
I'm learning to run before I can crawl  
I'm burning up like a fireball  
I got it bad but I don't feel bad at all!

No at all!

Catastrophy,  
drama queen  
destruction  
don't put it past me

Hurricane  
oh my middle name  
I'm waiting for the other shoe to drop

Well, I'm up on the edge  
but I won't fall  
I'm learning to run before I can crawl  
I'm burning up like a fireball  
I got it bad but I don't feel bad at all!  
No at all!
