You don't have to call no more,  
I don't even stress it, (stress it)  
I already closed the door, no second  
Guessin' (guessin')  
Think of me when you fall down on your  
Knees  
You say you can only breathe when  
You're with me.

Took a long time to figure out,  
That's why I,  
Can't seem to feel sorry for you,  
[? ]  
Done playin' worst of games,  
Why should I,  
Give you another try,  
When you're not mine?

There's somebody else in my heart,  
There's somebody else in my heart,  
Just say there's somebody else in my  
Heart, there's somebody else in my  
You see there's no more cryin' (cryin)  
There's no more lyin' (lyin')  
There's no more tryin' (tryin')  
There's somebody else, [x2]

You don't have to try no more I send  
You my blessin' (blessin')  
He's all I've been waitin' for there's  
No second guessin' (guessin')  
Think of me when you fall down on your  
Knees,  
I know you can only breathe when  
You're with me,

Took a long time to figure out,

That's why I,  
Can't seem to feel sorry for you,  
[? ]

Done playin' worst of games,  
Why should I,  
Give you another try,  
When you're not mine? (mine?)

There's somebody else in my heart,  
There's somebody else in my heart,  
Just say there's somebody else in my  
Heart, there's somebody else in my  
You see there's no more cryin' (cryin)  
There's no more lyin' (lyin')  
There's no more tryin' (tryin')  
There's somebody else, [x2]

It's better to taste,  
Look what you've done,  
I can't explain,  
You're not the one,  
I tried too hard,  
To make you true,  
I'm done for now,  
I'm through with you.

Huh huh huh huh huh...

There's somebody else in my heart,  
There's somebody else in my heart,  
Just say there's somebody else in my  
Heart, there's somebody else in my  
You see there's no more cryin' (cryin)  
There's no more lyin' (lyin')  
There's no more tryin' (tryin')  
There's somebody else, [x2]
