I'm the king of ashes  
Nothing from the flame survives  
Hands can turn the tides  
I have been consumed

The road runs straight from Tarsus  
But I am mystified  
I would you were by my side  
These are mortal wounds  
These are mortal wounds  
Yeah yeah

And they cannot hear my plea  
They will not play my tunes  
Melodies in rented rooms  
Price for seein' true

But I can't court fashion  
Let me be who I am  
Far from savage lands  
I will be renewed  
I will be renewed  
Yeah yeah

The king of ashes  
Whoever's by my side  
Across the great divide  
Marry, I'll love you

The king of ashes  
My heart is open wide  
I pray you're satisfied  
And it's all that I can do  
It's all that I can do  
Yeah yeah yeah
