I have a friend  
Who goes out Friday night  
And everytime he goes out  
He always gets drunk  
And when he comes home late at night  
He hugs the toilet for three hours  
Then passes out on the bathroom floor  
And he wakes up the next morning feeling really shitty

(Chorus:)  
What is wrong with this picture?  
TELL ME!  
What is wrong with this picture?  
TELL ME!  
I need to know right now!  
RIGHT NOW!  
RIGHT NOW!

I have another friend  
He likes to smoke pot  
And everytime he does it  
He always gets high  
Once he thought he was Superman  
He thought he could fly  
So he jumped out a three storie window  
And fell thirty feet straight into a dumpster  
He wasn't hurt too bad  
He just broke his back  
Now he can't walk 'cause he's paralyzed!

(Chorus:)  
What is wrong with this picture?  
TELL ME!  
What is wrong with this picture?  
TELL ME!  
I need to know right now!  
RIGHT NOW!  
RIGHT NOW!

(repeat x2)
