You got no hope competing you'll take a beating  
It's mothafuckas just like you that I'm deleting  
Off the map dead but still fuck I'm bleeding  
Now your obituaries are in the paper  
And now's you're mom is grievin  
Cause all of them gun shot wouds you was recievin  
Made it possible for your last day to come and stop  
your fuckin breathin  
It's time for your spirt to rise you soul's now fuckin  
leavin  
You took one of mine I took you out and we're still ain't  
fuckin even  
Don't think I'm gonna now stop fool I'm not threw  
acheivin  
Not until the rest of your crew is dead by maggots  
getting eatin  
And not until that day will The Knightowl will be threw  
defeatin  
All those mothafuckas I don't like holmes you best be  
believin  
That you's fucked up so the man with horns you're  
greetin  
Recievin the man with the cape and the gate and  
there's no escape

[Chorus] (Mr. Shadow and Knightowl)

Let's go to War  
Fool I'm evil as can be you sure you wanna fuck with me  
Let's go to War  
I brought the fuckin gat to rub you off the map  
Let's go to War  
I got no time to waste you're death fuckin awaits now  
go see the pearly gates  
Let's go to War  
I brought the clip you best not fuckin trip mothafucka

[Mr. Shadow]

I'm down to die any day I put that on the K  
If any drama come my way bitch I'm ready to spray  
Got the A K 4 7  
Best believe the chronic smoke inhalen  
Dogs are barking cause it's death they smellin  
No tellin what's gonna happen next  
Look you in the eye high mixed in with X  
God damn... I am.... Incredible... Unfadable...  
Undestructable... the  
Untouchable  
You ain't compatable the unholy master of the  
cerimony  
Back once again a bad Mexican  
Next to him is Knightowl with buck shots and a 12  
guage  
And a sawed off and it's your name that is read up on  
the front page  
Now what the fuck your family gonna tell me cause you  
ain't came home  
And left the kids alone, nothin and if they choose to do  
so I'm dumpin  
Startin off a war in the center of the world

[Chorus 1]

[Mr. Shadow]

Criminalize your blocks with glocks and infrared beams  
Blowin your spot with C-4 trick we plot schemes  
Shaddered dreams my team never sleeps for ever  
prowlin  
Force enterin houses kidnappin your spouses  
Your mouth is 9 millimeters away from getting sealed  
What you don't see can hurt you the weapon stays  
concealed  
This pain your gonna feel is like no other  
So go and tell your momma that you love her, for real

[Knightowl]

Let's go to war  
Cranium crakin when ever The Knightowl be attackin  
I'm ever slacking fool you life I'm jackin  
The more he's packing ready to blast I'm never lackin  
I be robbin mothafuckas so I chips I keep on stackin  
So I'm done takin over the rap game those that  
disagree I'm smakin  
But if shit get's a little complicated holmes I'm cappin  
You best be quick and run or be the next one I'm  
trappin  
Or you'll end up in a casket and for ever nappin

[Chorus 1]
