I can't stop feeling
sad and broken
sad and so lonely
I can't stop crying
part of me is dying.

How much I love you
how much I want you
how much I need you so
I just can't take it
I just can't break it
I just can't let you go.

I am feeling
sad and broken
there's nothing I can do
don't say goodbye
don't make me cry
I am in love with you.

I can't stop thinking
about the good times
all fun we had
I can't stop crying
over the no times
the no times make me sad

I can't stop hoping
I can't stop wishing
wishing that you would stay
how can I convince you
I'm gonna miss you
I don't know what to say.
