Teen angel, teen angel, teen angel, ooh, ooh  
That fateful night the car was stalled upon the railroad  
track  
I pulled you out and we were safe, but you went  
running back  
CHORUS  
Teen angel, can you hear me?  
Teen angel, can you see me?  
Are you somewhere up above  
And I am still your own true love?  
What was it you were looking for that took your life that  
night?  
They said they found my high school ring clutched in  
your fingers tight  
CHORUS  
Just sweet sixteen, and now you're gone  
They've taken you away.  
I'll never kiss your lips again  
They buried you today  
CHORUS  
Teen angel, teen angel, answer me, please
