I may burn out like a candle and  
I may pass away  
I may fall just like a shooting star  
My heart will stay  
I'll be yours until forever,  
Forever I'll be true to the promise  
I have made from the day that  
I found you  
Forever your in my heart  
Even if were apart

I say, forever I'll be yours  
Forever I love you  
I say, forever I'll be yours  
Forever I'll be true  
My love will never fade away  
Even if I'll die and  
I will love you until the end of time  
Even without your smile

So hear me please I beg you  
Don't walk away I need you  
Just stay with me and be by my side  
Take my hand and we'll work it out

Until, forever I'll be yours  
Forever I love you  
I say, forever I'll be yours  
Forever I'll be true  
My love will never fade away  
Even if I'll die now  
I love you until the end of time  
Even without your smile

So hear me please

I beg you  
To stay...
