"Who Is She?"

Who, who, who, who, who is she?
Who is this ravishing sight?
With a fantasy face and staggering smile.
Her indescribable bust.

Who is she?
She must be someone alright.
But who can she be?
Do you know?
Do you?
No.

Then who, who, who, who is she?
And where's she off to tonight?
You think the chauffeur would drive?
With everyone pride and hard.
Unless of course
She's an underground movie star.
Tell us who you are man.
Tell us who you are man.

I'm Passionella.
Passionella.
Passionella.
That's who I am.
That's who she is.
