Oh she's my lady  
Oh, she's been my lover  
Now she's hiding, hiding undercover  
They're going to tell her  
She's got to meet her brother  
For the honour, the honour of the other

I want to help her  
I want to hide her  
I want to love her,  
But first I've got to find her  
She's been hiding,  
Hiding undercover  
From the honour, the honour of the other

I want to tell her  
Baby please don't go  
Don't you go back to Morocco  
She's a goddess,  
Oh she's been a liar  
See the witch hunt  
The flames are getting higher  
All the secrets we tried so hard to cover  
Have been discovered, discovered by the other

I want to tell her  
Baby please don't go  
I've got to tell her  
Baby please don't go  
I want to tell her  
Baby please don't go  
Don't you go back to Morocco

She's a goddess,  
Oh she's been a liar

See the witch hunt  
The flames are getting higher  
All the secrets we tried so hard to cover  
Have been discovered, discovered by the other

I want to tell her  
Baby please don't go  
I've got to tell her  
Baby please don't go  
I want to tell her  
Baby please don't go  
Don't you go back to Morocco

Oh she's my lady  
Oh, she's been my lover  
Now she's hiding, hiding undercover  
He's going to kill her  
It's going to be her brother  
For the honour, the honour of the other

I want to tell her  
Baby please don't go  
Baby please don't go back to Morocco
