"In your eyes"

All by the glance of an eye
two of a kind we are one.
Girl you light up my fire
in the breath of your love,
you're my only desire
all the love that i need
is in your eyes

in your eyes
I feel loved
in your eyes
in your eyes
I am home

Cause' we are one unified
i feel love so strong
in your eyes
in your eyes
i am home

I, you and I
silent words.
Hush dont you speak,
let us be
yeah! Girl you light up my fire
in the breath of your love
you're my only desire
