They got the eye on the gold chain  
They got the eye on the gold chain

When Young Einstein was a kid in the mid  
80's he saw how the b-boys lived  
They wore the fat gold to rock the rap song  
Einstein's takin off, now he's puttin it on  
There's not a pair of eyewear that can stop the glare  
Of the Duke, overexposed in photo shoots  
He salutes the days of old with chains of gold  
He looked around then found that the chain was sold  
Over to the airport he sets off metal detectors  
Respect us, pull em to the side and give em lectures  
Going through his luggage, heh, they're tryin to test  
him  
Threaten to arrest him, askin lots of questions  
Like, "why do you have a box of tissue"  
"To remove" "What?" "All the oily finger residue"  
So look but don't touch, and let my chain shine  
Yo, Put it on Einstein

[CHORUS]

They got the eye on the gold chain, that's right  
They got the eye on the gold chain, that's right

All right now here we go  
Young Einstein  
Check it out  
My big gold rope  
Always rock a jam every time I perform  
Young Einstein  
Check it out  
Fat gold chain  
Always rock a jam every time I perform  
Einstein got a dookie gold rope

>From Panama to Canada Einstein's the man of the  
Year, get the trash outta here like a janitor  
Chain so heavy when he step in the place  
You could tap him on the shoulder and he fall on his  
face

Dropped the single fresh mode, you thought we would  
fold  
Thirty days later, Einstein had gold  
So what you sayin?  
My man scans the collectibles  
For the LP chock full of delictibles  
For the MP he could reshape the lead break  
Cut it in half  
Changin the speed rate  
Or make it self-arrange(?) when it's on the turntable  
He wore the dookie when we met Queen Elizabeth  
Asked her was she jealous, she said "A little bit"  
I guess a crown jewel never compares  
To the rope that the Einstein wears  
They got the eye on the gold chain  
They got the eye on the gold chain

repeat CHORUS
