dentures"

Well hi, welcome to MeatShake where you can 'taste  
the secret'

And when I tell you what it is, you won't believe it  
There's something special in our food you'll taste when  
you start eating it  
Everything we serve has meat in it

But don't you serve french fries and a vegetable plate?  
It all has meat (What?)  
What about the green salad and the cookies you bake?  
Everything has meat (Oh...)  
It's nice and tender  
Mixed in a blender

Don't you want some meat? (Yeah)  
So hot and steamy  
Yet smooth and creamy  
Come and get your meat (Hey)

Now when your body's hungerin, drive on down and  
stumble in  
Come on, give us half a chance, I promise that you'll  
come again  
If you're not carnivorous consider us a challenge  
You're too lean and need some proteine, we got it by  
the gallons  
Rest assured our healthy indiscriminating guests  
prefer  
The sweet and meaty morsels we concoct behind my  
register  
Giving good service plus a smile in a paper hat  
Our competition's food is crap, who would wanna pay  
for that?  
Please try a beef pie, top it with some meat fries  
And a classic MeatShake, baked until the grease dried  
40 cents more, you can have your meal meat-sized  
Plus you get three tries, scratch and win a free prize  
All except you vegan men who need to be leavin and  
Head into the Veggie Hut where you can eat some leaf  
and gran  
That is unless of course you wanna taste the secret sin  
Come on, breathe it in, you can use your teeth again  
Remember that meat's your friend, so let it inside you  
Cows gotta die too, don't let them survive you  
There's an offer for a free shake when you buy two  
Lasts while supplies do, thanks, please drive through

Skinny mini or a beefcake  
Hey, you don't need steak, get a MeatShake!  
You want a meaty meal but your teeth ache  
Hey for Pete's sake, get a MeatShake!  
You're gonna take your girl on a cheap date  
And you're a cheapskate, so get a MeatShake!  
When you purchase a combo meal you receive a  
souvenir keepsake  
Get a MeatShake!

Offer for free souvenir keepsake for a limited time only  
at participating MeatShake stores in your area  
The MeatShake Corporation is in no way responsible for  
high blood pressure, heart disease or bad body odor  
MeatShake!

"Mmhh... I better go taste the secret right now"
