Young at heart

Young at heart

Young at heart

Yet what a start

Old before their time

They married young

For love at last

Was their only crime

How come I love them now ?

How come I love them more ?

Young at heart

You're so young at heart

Young at heart

Yet not a chance

To be a child at all

They told us tales

They told us lies

Don't they know

The shouldn't have told us at all

How come I love them now ?

How come I love them more ?

When all I wanted to do when I was old

Was to walk out the door

Young at heart

You're so young at heart

Young at heart

You're so young at heart

How come I love them now?

How come I love them more?

How come I love them now?

How come I love them more?
How come I love them now?
How come I love them more?
When all I wanted to do when I was old
Was to walk out the door

Young at heart
You're so young at heart
Young at heart
You're so young at heart
Young at heart
You're so young at heart
