If I needed you
Would you come to me
Would come to me
For to ease my pain

And if you needed me
I would come to you
I would swim the seas
For to ease your pain

Well the night's forlorn
And the morning's born
And the morning shines with the lights of love

And you will miss sunrise
When you close your eyes
And that would break my heart in two

If I needed you
Would you come to me
Would come to me
For to ease my pain

And if you needed me
I would come to you
I would swim the seas
For to ease your pain

Lady's with me now
Since I showed her how
To lay her lily hands in mine

And who would not agree
She's a sight to see
And a treasure for the poor to find

If I needed you

Would you come to me
Would come to me
For to ease my pain

And if you needed me
I would come to you
I would swim the seas
For to ease your pain
