I'm gazing up at the faces staring blankly at me  
I suppose it's just a sign of the times.  
They tell me that tomorrow will never arrive  
But I've seen it end a million times.

I lost my direction while dodging the flak  
Give me a hint or something  
If I could freeze time at the flick of a switch  
I wouldn't hesitate

No!

There must be something wrong boys.

Obnoxious action, obnoxious results  
From teachers who refuse to be taught.  
Distorted pictures and dizzy dizzy people  
Rush by me at the speed of thought.

And sit at their tables and throw us the scraps  
For Christs' sake leave us something  
Now they can erase us at the flick of a switch  
How long will it take

Now!

There must be something wrong boys  
They're dragging me down.

Eden, there's no Eden, anyway.

They sit at their tables and throw us the scraps  
For Christs' sake leave us something  
Now they can erase you at the flick of a switch  
How much longer must we wait

Now!

There must be something wrong boys  
They're dragging me down  
You either swim or you drown.
